

WELCOME TO OLD GROVE RETREAT

Blue Sky
RETREATS

Retreat. Relax. Recharge.

We are genuinely excited for you and your guests to experience the adventure, rest and relaxation, and community in Suncadia and this Blue Sky Retreats Home.

To that end, we have designed this guide to ensure your stay is as effortless and enjoyable as possible. From check-in instructions, to hot tub details, to popular local adventures and our favorite restaurants, pubs and shops, our goal is to provide you with all you need to know.

Each Blue Sky Retreats home has been carefully curated and we hope you experience the same peace, wonder and relaxation we enjoy every time we visit. The homes we represent are an extension of that experience, and we are thrilled to share them with you. We kindly ask that you treat them with care—for the enjoyment of future guests.

We strive to provide a 5-star experience and encourage you to share any and all feedback with us directly. If there's anything specific that will enhance your comfort or make your stay more memorable, please text us through the online travel portal or call 509-260-8277. We will respond as quickly as possible.

Thank you for choosing a Blue Sky Retreats home. Now discover what we mean when we say retreat, relax, recharge.

Warm regards,

Santo Criscuolo

Blue Sky Retreats Founder

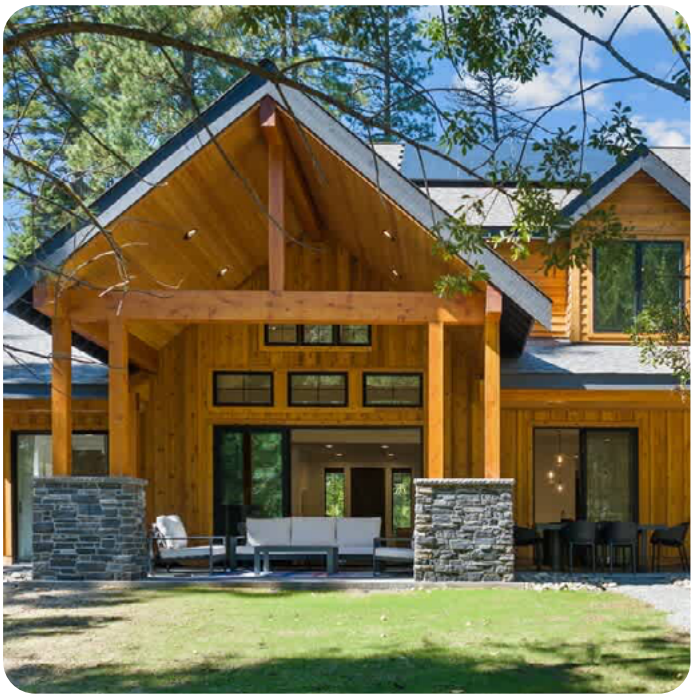
BEFORE ENTERING A BLUE SKY RETREATS HOME

We will greatly appreciate it if you remove your shoes before entering any of the Blue Sky Retreats homes. You can place them on the rubber trays just inside the door, leave them outside on the patio or in the garage depending on which Blue Sky Retreats home you are staying in. This will protect our hardwood floors and carpet from damage and ensure it is always in great condition for future guests.

All Blue Sky Retreats homes are strictly non-smoking/vaping. Smoke detected inside will result in an additional $150 cleaning fee to fumigate the home. If you want to smoke, please step outside and away from the home.

FIRE SAFETY

Fire risk is high throughout the year in Suncadia and at Snoqualmie Pass. Never throw cigarette butts or cigars into the forest, as this can lead to wildfires.



QUIET HOURS

Please keep noise to a minimum between 9PM to 9AM. All Blue Sky Retreats homes are located in friendly and welcoming communities and, although this is a vacation destination, it's home to many residents. As such we ask that you respect their privacy and their right to a peaceful existence.

Thank you for your understanding.

Please do not park on the grass or in the street. Hot exhaust systems and engines can easily ignite the dry grass, and or, you'll drive over the irrigation system sprinkler heads damaging them. Parking on the street or on the grass will result in a $500 fine from the homeowner's association which you'll be required to pay.

Please only use the dishwasher-specific pods. Please do not use liquid soap in the dishwasher. Using liquid dish washing soap e.g. Dawn, will create excessive suds, leading to water and soap overflowing from the dishwasher. This will cause damage to floors, cabinets, and baseboards that you'll be responsible for.

The bunk beds are designed specifically for children. They are not built to support more than 150 lbs. For everyone's safety, please do not exceed this weight limit.

NO PARTIES

Absolutely no parties, hosted lunches, dinners, or gatherings allowed. Do not exceed the maximum number of guests for this home. If you will be having more than two day-guests, please inform us 24 hours in advance.

Ignoring these rules will result in additional charges.

HOT TUB GUIDELINES

For your safety and to keep the hot tub clean and enjoyable for everyone, please follow these important guidelines:

Access Combination: 2613

Age Restriction: All minors under the age of 16 much be accompanied by an adult.

Enter and exit the hot tub slowly.
No jumping or diving.
Elderly persons and pregnant women should consult with a physician before use. Anyone with heart disease, diabetes, high or low blood pressure or any serious illness should consult with a physician before use.
Do not enter if temperature is over 104 degrees.
Limit your soak to 15 minutes and cool before re-entry.

Food and Drinks
No food or drinks are allowed in the hot tub.
No glass is permitted around the hot tub.

Spills
Spilled food or drinks will require the hot tub to be drained and cleaned. Spills can also damage the jet and filter systems.

DAMAGE CHARGES

Do not sit on the hot tub cover. It is not made to withstand any weight.
Any damage caused by inappropriate use will be charged to the guest.
Cost to Drain and Clean: $275
Cost of New Filters: Averages $50 per filter
Cost to Replace Hot Tub Cover: $2,000-$3,000
Cost to Repair Pump and or Jets: Several thousand.

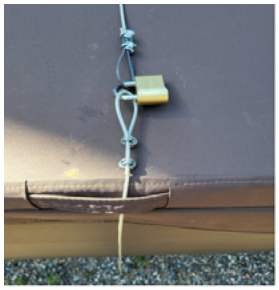
OPENING THE HOT TUB COVER

To open: Start with the **lock combination: 2613.**

Gently **pull cable out of cover handle.** Lay both sides of cable on the ground. Set lock at base of the steps. **Unhook latches** on each side of the hot tub.

Gently lift front half of cover and fold it back. This is easier to do with two people. See photo.

With one person on each side, lift the bar and set it to standing position at the back of the hot tub.



Adjusting the Hot Tub Temperature: The display panel and your finger must be dry in order for the touch screen to work. Once screen and finger are dry, run your finger in a circular motion along the circle to increase or decrease the temperature.

If the Hot Tub Isn't Warm and the control panel doesn't seem to heating up the hot tub: Please call 509-260-8277 and we help you trouble shoot it.

CLOSING THE HOT TUB COVER

With one person standing on each side, gently push bar and cover towards front of hot tub. Then unfold the front half of the cover.

Secure the cover with the latches on each side of the front of the tub. Thread the cable back through the cover strap.

Engage lock by turning the numbers.

Thank you for treating the hot tub with care. Following these steps helps maintain a safe, enjoyable experience for you and future guests.

OUTDOOR GRILL

All of the Blue Sky Retreats single family homes are equipped with an outdoor grill. They are either powered by natural gas or propane. In either case, **open up the gas valve near the wall, or open up the valve on the propane tank.**

Push and turn the main burner knob and then push the igniter.

If the igniter doesn't spark, the battery may have died. Pull the igniter knob off and replace the battery. Most grills require one double AA battery, and you can find them in one of the kitchen drawers.

If you can't find a battery, or you replace it and the igniter won't spark, you can manually light the burners with a long neck lighter. Turn the burner on, quickly light the lighter and place the tip near the burner. You'll have to do this for each burner.

When finished cooking, turn the burners off and shut off the valve.

Please do not leave any food on the grill as it attracts insects, rodents and bears.

If the propane tank is empty, please let us know.

OUTDOOR GAS FIRE PIT

Please read carefully before lighting the outdoor gas fire pit.

Gather fire pit key and lighter: These are typically located in a kitchen drawer or on the windowsill near the door to the back patio.

Lighting the Fire pit:

Insert the key into the hole on the back of the fire pit.

Have the lighter ready near the top of the fire pit.

Gently turn the gas to the ON position, then quickly ignite the lighter and lower it toward the fire pit. The gas should ignite immediately.

Important Safety Note: Keep your face away from the fire pit when lighting. Do not let gas run for more than a couple of seconds before igniting, as this can cause a fireball that may singe hair, skin, or clothing.

Turning Off the Fire pit: When finished, **gently turn the key to the OFF position to shut** off the gas. **Do not leave the fire pit running overnight as this will incur extra gas costs.** We monitor gas usage, and any excessive overnight usage will result in additional charges.

HEATING & A/C

available in all rooms

Turning On and Off

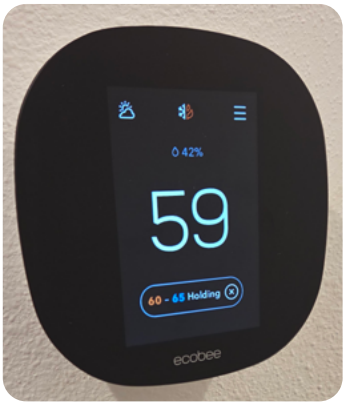
Tap at the top where it says “Off” or shows the current mode (such as Heat or Cool).
Select your preferred mode: Heat, Cool, or Auto.
To fully turn off the system, select the “Off” mode.

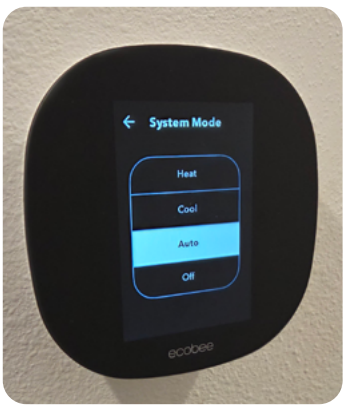
Controlling the Temperature

Tap the large temperature display in the middle of the screen.
Adjust the temperature up or down by scrolling or pressing the arrows.
Set the desired temperature; the system will automatically heat or cool to reach it.

Changing Hold Settings

After setting a new temperature, choose how long you want the change to last. You can select a set number of hours, until the next schedule, or until you change it.





WINTER DEPARTURE SETTINGS

Please set thermostat to heat when temperature drops below 60˚F

SUMMER DEPARTURE SETTINGS

Please set thermostat to cool when temperature reaches 78˚F

SMART TVS

Old Grove Retreat is equipped with two LG Smart TVs and Magic Remotes. The stunning picture quality and vibrant colors will make you want to go out buy one of these TVs for your own home! The Magic Remotes work like a point-and-click mouse, making it easy to navigate to all your favorite streaming apps like Netflix, Disney, Hulu, YouTube TV, Prime Video etc. on webOS.

KITCHEN APPLIANCES

GAS BURNERS & OVEN

To Turn On: Gently push in the knob and turn to the desired temperature. You'll hear the igniter click a couple of times. Once burners ignite, release the knob.

DISHWASHER

Please do not use liquid soap in the dishwasher. Using liquid dish washing soap e.g. Dawn, will create excessive suds, leading to water and soap over-flowing from the dishwasher. This will cause damage to floors, cabinets, and baseboards that you'll be responsible for. Please only use the dishwasher-specific pods provided.

LAUNDRY *(not required)*

Typically, there is no need for you to do any laundry when staying for two or three days. Simply put used towels and or linens on the laundry room floor.

Laundry Guidelines (if needed):

Clothing: Do not fill the drum more than halfway. For example:

Limit to five adult clothing items (e.g., two pairs of pants and three shirts).

Towels: Limit to four full-sized towels and four hand towels.

Sheets: Limit to three sheets and three pillowcases.

Important Note: Exceeding these limits can cause damage, specifically by breaking the pistons that support the drum. The cost to replace these pistons is nearly $700 to $1,000.

KEEPING OUR HOME FRESH

For the health of our plumbing, and to prevent disruption of future guest stays, please place period products in the bin provided.

Please place used diapers in a plastic bag, tie it securely, and dispose of it in the trash bin. This helps keep our space fresh for everyone! We appreciate you helping us keep our homes clean and fresh.

PARKING

Parking: Six cars can be parked at Old Grove Retreat. Two in the garage and four in the driveway.

Do not park on the grass or in the street. Hot exhaust systems and engines can easily ignite the dry grass, and or, you'll drive over the irrigation system sprinkler heads damaging them. Parking on the street or on the grass will result in a $500 fine from the homeowner's association which you'll be required to pay.

SUNCADIA RESTRICTIONS

Suncadia Resort enforces specific policies regarding access to its amenities and the use of certain vehicles:

Pool and Fitness Center Access: Guests may not have access to the Suncadia Swim and Fitness centers, including the Nelson Farm Pool, due to resort policies. These restrictions are beyond the control of individual property owners or rental agencies.

Vehicle Restrictions: The use of all-terrain vehicles (ATVs) and snowmobiles is prohibited within the resort premises, in line with Suncadia's regulations.

No parking the street, shoulders or vegetation. Vehicles parked in these areas may be fined or towed at the owner's expense. Moreover, parking hot cars on shoulders or vegetation may cause fires.

DEPARTURE INFORMATION

CHECK-OUT: 11AM

We will appreciate it if you perform a few routine tasks before you leave:
Turn off all lights and TVs.
Turn off the fireplace.
Put all wet or used towels in laundry basket.
Close all windows.
Please open all sink cabinets before leaving during the cold season November to March. This will help prevent pipes from freezing.
In the winter months, set the thermostat at 60 degrees.
In the summer months, set the thermostat at 78 degrees.

Please remove garbage from kitchen and place in the trash bins located in the garbage room which you can access through the garage. Look for the door on the opposite wall of the door leading into the house. If trash bins are full, please tie off trash bag and leave next to the garbage bins. **Please remember to lock the door into the garage. Do not lock the door that leads to the outside of the trash room.**

Additional Cleaning and Damage Policies:
If the home is left excessively dirty (e.g., food on counters/walls, debris in the microwave, spills in the refrigerator, dirt/sand/garbage on floors, or furniture moved), or if the hot tub is soiled, additional charges will apply:

Additional Cleaning: $75 per hour for each additional hour required beyond the standard four hours of cleaning.

Delayed Check-In for Next Guest:
$100 per hour for any delay caused to the next guest's check-in.

Lost Income: If the condition of the home results in the next guest being unable or unwilling to stay, you will be charged for any lost income.

Note: *This policy is designed to protect the condo, our business, and the experience of future guests. Unfortunately, due to previous incidents of disregard, these measures are necessary to maintain the quality of the property and ensure a positive experience for all. We appreciate your understanding and cooperation.*

SNOQUALMIE PASS / I-90 TRAFFIC & ROAD CONDITIONS

From December to March, it is always a good idea to check the weather and road conditions on Snoqualmie Pass. While I-90 is at only 3,200 feet, cold air from the east side of the Cascades collides with super moist air from the west often resulting in large dumps of snow in a very short time period. All-wheel drive and even traction devices may be required.

From Memorial Day to Labor Day, it is always a good idea to check traffic conditions. With the exception of holiday weekends, traffic is rarely an issue. However, there may be delays due to construction.

You can check traffic and weather conditions for Snoqualmie Pass / I-90 on the wsdot.com website:
